

PAYMENT

- Payment/copay is due at time of service.
- There will be a fee for your visit. Other services, including lab tests, will be billed in addition.
- Medicare patients of the HRRMC Buena Vista Health Center will receive two explanations of benefits—one for the office visit/procedures and one for any additional diagnostic services.
- Medicare patients of the HRRMC Outpatient Pavilion in Salida will receive one explanation of benefits—clinic charges will be added to any hospital charges that may be incurred on that same day. Medicare patients are charged the same amount as non-Medicare patients, but the bill is broken down differently for Medicare reimbursement.
- Internal Medicine patients at the HRRMC Buena Vista Health Center who meet certain financial requirements are eligible for a sliding-fee payment scale.
- A 15% prompt-payment discount is available to self-pay and uninsured patients.
- We accept cash, check, Visa, Mastercard and Discover.
- Claims with most insurance plans are filed on your behalf.
- Structured payment plans are available.
- Clinic billing questions may be directed to (719) 530-2475.

Our Internal Medicine Team

David Kanar, M.D., is an internist and nephrologist (kidney care). He earned his medical degree and a master's degree in applied physiology at Finch University of Health Sciences/The Chicago Medical School. Dr. Kanar completed his internal medicine

residency at Loyola University Medical Center in Illinois, and a fellowship in nephrology at Long Island Jewish Medical Center in New York. He is board certified in internal medicine and nephrology.

William Schroeder, D.O., is an internist and integrative medicine physician. Integrative medicine is a style of care that focuses on the patient and addresses not just disease treatment and prevention but optimizing health. Dr. Schroeder

received his osteopathic medical degree from Des Moines University and did residencies in internal medicine at Henry Ford Hospital and Spokane Internal Medicine. He completed a fellowship in integrative medicine under Dr. Andrew Weil at the University of Arizona College of Medicine. He is board certified in internal medicine.

J. Ross Tanner, D.O., is a Diabetologist (diabetes) and Clinical Lipidologist (complex cholesterol problems). He became the first board certified Lipidologist in the state of Alaska in 2005.

Dr. Tanner earned his medical degree from the University of North Texas College of Osteopathic Medicine and completed his residency at Texas A&M College of Medicine/Scott & White Memorial Hospital in Temple, Texas. He is board certified in both internal medicine and clinical lipidology.

POLICIES AND PROCEDURES

- For EMERGENCIES, call 911 or go to the nearest hospital emergency room.
- Contact your pharmacy directly for all refills and renewals of medications. Allow 72 hours for processing. Only first-time prescriptions and narcotic refills are generated from our office.
- All test and laboratory results are communicated back to the patient as promptly as possible.
- When leaving a message, please spell your name and provide date of birth, phone number, and a detailed request, including level of urgency. After hours, if you have an urgent healthcare need, please contact the HRRMC Emergency Department at (719) 530-2157.
- If you are unable to keep an appointment, please give 24 hours notice of cancellation.
