## DIALYSIS IN SALIDA

Heart of the Rockies Regional Dialysis Center is located in the Salida hospital and provides both inpatient and outpatient dialysis. The unit is owned by the medical center but managed by Sanderling Renal Services. Sanderling specializes in bringing high quality dialysis and nephrology (kidney) services to rural communities.

David Kanar, M.D., a nephrologist (specialist in kidney care) on the hospital's medical staff, serves as medical director of the dialysis center. Additional nephrology coverage is provided by Pikes Peak Nephrology Associates, a group of kidney specialists based in Colorado Springs.

Chaffee County attracts many visitors throughout the year, and the Dialysis Center can provide dialysis services if needed. Visitors need a referral from their physician and should contact the Center at (855) 789-7365 prior to their visit to arrange treatment.

Heart of the Rockies Regional Dialysis Center provides both in-center hemodialysis and (home-based) peritoneal dialysis. For more information about the Dialysis Center, call (855) 789-7365.

### Medical Director David Kanar

David Kanar, M.D., is an internist and nephrologist on the HRRMC medical staff. He earned his medical degree and a master's degree in applied physiology at Finch University of Health Sciences/The Chicago Medical School. Dr. Kanar completed his internal medicine residency at Loyola University Medical Center in Illinois, and a fellowship in nephrology at Long Island Jewish Medical Center in New York. He is board certified in internal medicine and nephrology.

The Dialysis Center's location on the second floor of the Salida hospital provides a very comfortable environment with highly personalized care.

### PAYMENT

For information about payment and insurance coverage, please call (855) 789-7365 for a financial consultation.
